

UK ENIC Services

The individual pricing for our services are outlined on each service page and this page will include all service pricings for all our services, including the delivery methods.

UK ENIC Services

Statement of Comparability

The Statement of Comparability compares overseas qualifications to the UK education system, comparing them to UK qualifications and framework levels.

	Price
Statement of Comparability	£49.50
Statement of Comparability with 24-hour Fast Track	£223.50
Statement of Comparability with 48-hour Fast Track	£173.50

UK Qualification Reference Statement

The UK Qualification Reference Statement service is for those who need detailed information about their completed UK qualification(s).

	Price
UK Qualification Reference Statement	£49.50

Replacement Statements

A Replacement statement is simply another copy of the same statement that was originally sent to you and will be updated with the date that we issue it, and your assessment will be verified before it is completed to ensure the information on the comparison is up to date.

	Within 3 months price
Replacement Statement of Comparability	£0.00 (delivery fee only)
Replacement UK Qualification Reference Statement	£0.00 (delivery fee only)
