

31st Annual Joint Meeting of the ENIC and NARIC Networks in Naples

UK ENIC Interim Managing Director, Tracy Ferrier, and Jodie Duffy, UK ENIC Head of Information Development, attended the 31st Annual Joint Meeting of the ENIC-NARIC Networks, which took place in Naples, Italy, from 23-25 June.

The two-day programme, consisting of plenary and breakout sessions, brought together participants with diverse backgrounds and expertise to discuss and share insights on a range of issues.

Jodie Duffy delivered a presentation on the Tracking Refugee Applications for Study and Employment in the UK (TRASE UK) project.

Funded by the Council of Europe, the project provided valuable insights into how refugee applicants, higher education institutions and employers use the Statement of Comparability, and the challenges refugees face in accessing further study or employment, as well as providing practical recommendations for further support.

Tracy Ferrier said: 'It was a pleasure representing UK ENIC, and connecting with other ENICs and NARICs from Europe and beyond. It was an excellent opportunity to share knowledge and learning and gain insights into challenges and opportunities for the international recognition of qualifications.' [READ MORE](#)

The key role of recognition services in 'responsible internationalisation'

UK ENIC Head of External Engagement, Chris Lyons, delivered a presentation on 'Responsible Internationalisation' at the British Columbia Council for International Education Annual Conference in Vancouver, Canada.

'Responsible internationalisation' is a subject attracting growing interest in the international education sector, particularly in higher education. It describes an approach to admissions that is fair, student-centred, and based on positive learning experiences.

We are excited to be using The Mermaid, a riverside conference venue that is new to us. It is close to London's Blackfriars Bridge and Blackfriars tube station, and within easy walking distance of City Thameslink, Waterloo and Cannon Street train stations.

To be added to the pre-register mailing list and guarantee your place, simply email conference@enic.org.uk with the names, job titles and email addresses of those who will be attending. You will then be notified when registration has opened. [READ MORE](#)
