

Welcome to the November 2014 edition of the NARIC News.

Benchmarking CIMA Qualifications

UK NARIC has recently completed a benchmarking exercise on behalf of the Chartered Institute of Management Accountants (CIMA), to evaluate the entry level Certificate in Business Accounting and the three levels of the CIMA Professional Qualification, based on their updated syllabus to be offered from 2015, against the Qualifications and Credit Framework. CIMA is a professional body offering training and qualifications in management accountancy and related subjects ([more...](#))

Best Practice Seminars

During December UK NARIC is holding two best practice seminars in London. The first brings together institutions from across the UK for discussion, knowledge exchange and debate on [English Language testing](#) and the second focuses on [combating education fraud](#). [Book your place now.](#)
